Current Position

Staff Neonatologist/Transport Director
U.S. Naval Hospital, Okinawa, Japan
Care for critically ill neonates in an 8 bed, level III NICU in support of the hospital's 1000 deliveries per year. Lead neonatal transport operations responsible for covering a 50 million square mile radius in support of U.S. servicemembers in the Pacific. Chair hospital's perinatal advisory board which is a multidisciplinary committee that guides implementation of evidence-based practice and quality improvement in perinatal care.

Professional Experience

Medical Director
Neonatologist
U.S. Naval Hospital, Okinawa, Japan
Directed clinical operations for the sole DoD NICU in the Asia-Pacific region.
Pediatrician
Mike O'Callaghan Federal Medical Center, Las Vegas, NV
Managed healthcare needs of children ages 0-18. Inpatient responsibilities included covering a newborn nursery with ~60 deliveries per month and small inpatient pediatric ward. Taught inpatient and outpatient general pediatrics to ~30 family medicine residents and ~12 physician assistant students per year.
